

Prototype A

- Compact system to control route
- Small touch screen
- Watch model
- Perfect for puntual sport
- Cardiac control system
- Gps, wifi, bluethoot
- Compas
- Maps run
- Water resistant 60 m

Prototype E

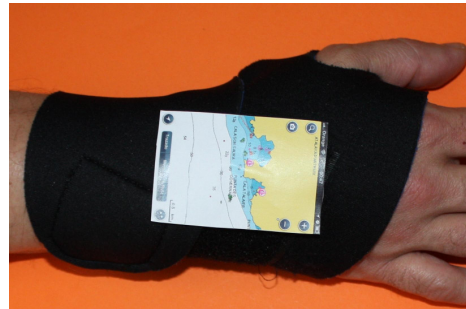

- System to control route.
- Big touch screen.
- Perfect for adventure sport
- Impact resistant
- Ergonomic fix.
- Cardiac control system.
- Rescue alarm
- Control “where is my friend”.
- Gps, wifi, bluethoot.
- Compas.
- Maps route / sea maps.
- More App.
- Water resistant 60 m.

Prototype I

- System to control route.
- Big touch screen.
- You can fix in all structure.
- Perfect for adventure sport.
- Ergonomic fix.
- Impact resistant
- Cardiac control system.
- Rescue Alarm
- Control “where is my friend?”.
- Gps, wifi, bluethoot.
- Compas.
- Maps run/sea maps.
- More app.
- Water resistant 60 m.

Prototype J

- System to control route.
- Big touch screen.
- Perfect for adventure sport
- Impact resistant
- Ergonomic fix.
- Cardiac control system.
- Rescue alarm
- Control “where is my friend”.
- Gps, wifi, bluethoot.
- Compas.
- Maps route / sea maps.
- More App.
- Water resistant 60 m.
